5. **Quebec, Ontario, Manitoba, Alberta and British Columbia**  
**Application No. 2006-0595-9**

Application by **Standard Radio Inc. (Standard)**, on behalf of a **limited partnership to be established (SR Limited Partnership)**, to acquire the assets of the broadcasting undertakings from Standard, as a result of a corporate reorganization through which Standard will create SR Limited Partnership and cause it to acquire all of its broadcasting undertakings.

The applicant is also requesting, on behalf of the partners-to-be and to carry on business as SR Limited Partnership, the issuance of new licences, under the same terms and conditions, to continue the operation of the broadcasting undertakings currently owned by Standard.

**Proposed reorganization**

Standard is the licensee of 51 radio stations and related transmitters, seven transitional digital radio undertakings, two conventional television stations, and three radio networks.

Standard has minority interests in the licensees 3937844 Canada Inc., Milestone Radio Inc. and The Haliburton Broadcasting Group Inc. Further, it has a 40% interest in Sirius Canada Inc. The applicant indicated that such interests are not affected by the proposed reorganization.

Standard is a wholly-owned subsidiary of Standard Broadcasting Corporation Limited (Standard Broadcasting), which in turn is a wholly-owned subsidiary of Slight Communications Inc., a private corporation of Mr. Allan Slight.

In summary, the proposed reorganization contemplates the establishment of SR Limited Partnership, which will acquire the assets of Standard, and the establishment of the Standard Radio Income Fund (the Fund). The Fund will indirectly acquire a 40% minority interest in the broadcasting undertakings. The Fund will obtain financing through an Initial Public Offering of Fund Units to the public (IPO).

The proposed reorganization can be described as follows:

- The Fund will be established as an unincorporated open-ended limited purpose trust;

- The Fund will incorporate a new wholly-owned subsidiary, Standard Radio Holdings Inc. (Standard Holdings)
- Pursuant to the Fund's Declaration of Trust, legal ownership of all of the voting shares of Standard Holdings will be vested exclusively with the Trustees of the Fund;
- The Trustees of the Fund will have full, absolute and exclusive power, control and authority over the trust assets (which assets include the Standard Holdings' voting shares) and the affairs of the Fund;
- No unit holder of the Fund will have any right of ownership in the Standard Holdings' voting shares;
- Standard will incorporate a new corporation, Standard Radio GP Inc. (Standard GP), which, upon completion of the transaction, will become the general partner of SR Limited Partnership;
- Standard and Standard GP will form SR Limited Partnership;
- Standard Holdings will acquire, from Standard, units of SR Limited Partnership representing an approximate 40% interest and will acquire 40% of the common shares of Standard GP;
- Standard will hold the remaining 60% of the common shares in Standard GP;
- Standard will appoint a majority of the board of directors of Standard GP;
- Upon approval, Standard will transfer to SR Limited Partnership all assets used in connection with its current broadcasting undertakings, including its transmitters;
- SR Limited Partnership will employ all former employees of Standard's broadcasting undertakings, including all current senior executives of Standard;
- Upon completion of the transaction, Standard will own exchangeable units in SR Limited Partnership, representing an approximate 60% interest;
- Standard will also receive a corresponding number of Special Voting Units in the Fund, representing an approximate 60% voting interest.

Accordingly, Standard GP, the general partner, Standard and Standard Holdings, the limited partners, to carry on business as SR Limited Partnership, are requesting new licences to continue the operation of the broadcasting undertakings under the same terms and conditions, as those in effect under the current licences, upon surrender of the licences issued to Standard.

## Control of the broadcasting undertakings

The applicant stated that the corporate reorganization would not result in any change in the broadcasting undertakings' ultimate control which will continue to be exercised by Mr. Allan Slaight.

The sole general partner of SR Limited Partnership will be Standard GP, a company that will be majority owned and controlled by Standard, which in turn is ultimately controlled by Mr. Allan Slaight.
