Ottawa, 25 August 2006

### **Amendments to the *Television Broadcasting Regulations, 1987*, the *Pay Television Regulations, 1990* and the *Specialty Services Regulations, 1990* – Requirements for the furnishing of program logs and records**

*The Commission has adopted amendments to the Television Broadcasting Regulations, 1987, the Pay Television Regulations, 1990, and the Specialty Services Regulations, 1990. These amendments were registered and came into effect on 29 May 2006. They were published in Part II of the Canada Gazette on 14 June 2006.*

#### **Background**

1. In *Call for comments – Proposed amendments to the Television Broadcasting Regulations, 1987, the Pay Television Regulations, 1990, and the Specialty Services Regulations, 1990 – Requirements for the furnishing of program logs and records*, Broadcasting Public Notice CRTC 2006-30, 9 March 2006 (Public Notice 2006-30), the Commission proposed to amend the three sets of regulations (the Regulations) named in the title of that notice to enable the Commission to except a licensee, by condition of licence, from the requirements related to the furnishing of program logs and records. As noted in Public Notice 2006-30, the purpose of these amendments was to provide greater flexibility in the furnishing of program logs and records and to decrease the administrative burden on the Commission and on licensees in certain circumstances.
2. The Canadian Broadcasting Corporation, in the only comment filed in response to Public Notice 2006-30, expressed support for the proposed amendments.

#### **Commission's determination**

3. In light of the above, the Commission has amended the Regulations as proposed. The amendments made by the Commission are appended to this notice. These amendments were registered and came into effect on 29 May 2006, and were published in Part II of the *Canada Gazette* on 14 June 2006.
