Erratum

1. In this Erratum, the Commission corrects errors made in paragraph 23 subparagraph i) and Appendices 2 and 3 of *Bell Aliant – Applications for forbearance from the regulation of business local exchange services*, Telecom Decision CRTC 2007-70, 10 August 2007.
2. The correction to paragraph 23 subparagraph i) is highlighted in bold italic below:

23. The Commission has reviewed Bell Aliant's draft communications plan and is satisfied that it generally meets the information requirements set out in modified Telecom Decision 2006-15. However, the Commission considers that the company should make the following changes to the plan (italics represent revisions to be made):

- i) Add the following sentence as the new second paragraph of the section entitled "Changes to the regulation of your local phone service":

*The CRTC has directed Bell Aliant to maintain certain requirements, such as **the provision of telephone directories and the maintenance of customer confidentiality provisions, in the provision of local business exchange services in forborne areas.***

3. The Commission is issuing revised Appendices 2 and 3 to Telecom Decision 2007-70. In that regard, the Commission notes that Tariff 21560, item 7010, Managed Internet Protocol Telephony Service was incorrectly listed in Appendix 2 of that Decision. As this service combines the Centrex platform with IP capabilities, it should have been listed in Appendix 3.
