PREAMBLE

For items 1 to 5

On 17 July 2006, the Commission issued in Broadcasting Public Notice CRTC 2006-86 calling for applications for broadcasting licences to provide radio programming services for Sydney, Nova Scotia.

In response to this call, the Commission has received a number of applications for licences to serve this market.

These applications will be treated as competitive radio applications for Sydney.

For item 6

An application by Newcap Inc. to convert radio station CHVO Carbonear from the AM to the FM band will be heard as an appearing item.

For items 7 to 21

The Commission intends to consider, subject to interventions, items 7 to 21 during the non-appearance phase of the public hearing.

1. **Sydney, Nova Scotia**
Application No. 2006-0237-7

Application by **Barry Maxwell Martin, on behalf of a corporation to be incorporated**, for a licence to operate an English-language commercial FM radio programming undertaking in Sydney.

The new station would operate on frequency 103.5 MHz (channel 278B) an effective radiated power of 26,500 watts (non-directional antenna/antenna height of 169.6 metres).

The applicant proposes a Rock music format.

Applicant's address:

100 Kings Road
 Sydney, Nova Scotia
 B1S 1A1
 Fax: 902-562-2640
 E-Mail: Q103.5@gmail.com

Examination of application:

2. **Sydney, Nova Scotia**
Application No. 2006-1155-0

Application by **Newcap Inc.** for a licence to operate an English-language FM commercial radio programming undertaking in Sydney.

The new station would operate on frequency 101.9 MHz (channel 270C) with an average effective radiated power of 57,000 watts (maximum effective radiated power of 100,000 watts/antenna height of 122.7 metres).

The applicant proposes a Classic Rock music format.

The Commission may withdraw this application from the public hearing if it is not advised by the Department of Industry, at least twenty days prior to the hearing, that the application is technically acceptable.

Examination of application:

Sydney Public Library
50 Falmouth Street
Sydney, Nova Scotia

3. **Sydney, Nova Scotia**
Application No. 2006-1166-7

Application by the **Canadian Broadcasting Corporation (CBC)** to convert radio station CBI Sydney from the AM band to the FM band.

The new station would operate on frequency 97.1 MHz (channel 246C) with an average effective radiated power of 61,400 watts (maximum effective radiated power of 100,000 watts/antenna height of 122.9 metres).

The applicant is requesting permission to simulcast the programming of the new FM station on CBI Sydney for a period of 12 months from the date of implementation of the new station.

The applicant is also requesting, pursuant to sections 9(1)(e) and 24(2) of the *Broadcasting Act*, the revocation of the licence of CBI Sydney effective at the end of the simulcast period.

This application requires the issuance of a new licence.

Applicant's address:

6. **Carbonear, Newfoundland and Labrador**
Application No. 2006-0523-0

Application by **Newcap Inc.** to convert radio station CHVO Carbonear from the AM band to the FM band.

The new station would operate on frequency 103.9 MHz (channel 280B) with an average effective radiated power of 14,000 watts (maximum effective radiated power of 30,000 watts/antenna height of 124.1 metres).

The applicant will continue to offer CHVO's current Country music format on the proposed FM station.

The applicant is requesting permission to simulcast the programming of the new FM station on CHVO for a period of 6 months from the date of implementation of the new station.

The applicant is also requesting, pursuant to sections 9(1)(e) and 24(1) of the *Broadcasting Act*, the revocation of the licence of CHVO effective at the end of the simulcast period.

This application requires the issuance of a new licence.

This application was first scheduled to be heard at a public hearing on 30 October 2006 (Notice of Public Hearing CRTC 2006-9, 31 August 2006), but was withdrawn by the Commission upon receipt of interventions.

The Commission will consider the interventions already received, accepted and filed on the public file for the 30 October 2006 hearing as well as other interventions received in the context of this public hearing.

Public Participation

Deadline for interventions/comments

22 March 2007

The intervention must be received by the CRTC and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

The intervention must include one of the following statements in either the first or the last paragraph:

- 1 - I request to appear at the public hearing.
- 2 - I do not want to appear at the public hearing.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

by using the
[\[Broadcasting intervention/comments form\]](#)

Or

by mail to
CRTC, Ottawa, Ontario K1A 0N2

or

by fax at
819-994-0218

A true copy **must** be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or if you propose changes to it, include the facts and grounds for your proposal.

In the event that the application is brought to the oral phase of the hearing, and if you wish to appear, you must provide reasons why your written comments are not sufficient and why an appearance is necessary.

Persons requiring communications support such as assistance listening devices and sign language interpretation are requested to inform the commission at least twenty (20) days before the commencement of the public hearing so that the necessary arrangements can be made.

Important notice

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's web site at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received. Documents not received

electronically will be available in PDF format.

Please note that the information you provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the webpage of this particular public process. As a result, a general search of our website with the help of either our own search engine or a third-party search engine will not provide access to the information which was provided as part of this public process.

Examination of documents

An electronic version of applications is available from the Commission's web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications or, upon request, within 2 working days, at any other CRTC offices and documentation centres.
