

Broadcasting Public Notice CRTC 2007-2

Ottawa, 12 January 2007

Revised lists of eligible satellite services

1. In *A new approach to revisions to the Commission's lists of eligible satellite services*, Broadcasting Public Notice CRTC 2006-55, 28 April 2006, the Commission announced that it would periodically issue public notices setting out revised lists that include references to all amendments that have been made since the previous public notice setting out the lists was issued.
2. In the present public notice, the Commission sets out references to all amendments made to the revised lists since 28 April 2006. These references are set out in Appendix I to this public notice. The lists of eligible services approved as of 31 December 2006 are set out in Appendix II.

* Received from a licensed SRDU

** A pay audio programming undertaking may not be used for linkage purposes for the distribution of any non-Canadian eligible satellite services.

*** Playboy TV is only authorized for distribution at the specific request of a subscriber. Distributors are not permitted to package Playboy TV in such a way that subscribers are obligated to purchase Playboy TV in order to purchase any other programming service. Distributors are required to take measures to fully block the reception of both the audio and video portions of Playboy TV to subscribers that request it not be receivable in their home (in either unscrambled or scrambled analog form).

Authorization for the services in Sections A and B is subject to the following:

- In the case of signals received from a licensed SRDU, ASN, the CBC English- and French-language Television Services and foreign satellite services, licensees are required to enter into the necessary contractual arrangements for such carriage.

- Licensees that distribute a PBS signal received at the local head end by terrestrial transmission may distribute one PBS service received from a licensed SRDU. All other licensees may distribute a maximum of two PBS services received from a licensed SRDU. Licensees may not distribute the signal of more than one affiliate of the same commercial U.S. network, received from a licensed SRDU, unless otherwise authorized pursuant to a condition of licence.

- ♦ denotes a service in a language other than English or French added before 16 December 2004.
