[\[Broadcasting intervention/comments form\]](#)

The Commission announces that it has received licence renewal applications for non-commercial radio programming undertakings whose licences are due to expire on 31 August 2007, as listed in this public notice. These applications raise no concerns and are complete.

The Commission intends to renew these broadcasting licences for a full seven year term, subject to any interventions. The conditions specified in the following applicable Public Notices as well as the conditions contained in the current licences would apply:

Public Notice CRTC 2000-156 – Campus radio stations

Public Notice CRTC 2000-157 – Community radio stations

Public Notice CRTC 2001-70 – Native radio stations

* Stations identified with an asterisk have been monitored by Commission staff. The monitoring report has been placed on each licensee's public examination file. A copy can be obtained by contacting one of the CRTC documentation centres.

It is noted that other such licences expiring in 2007 will be dealt with at a later date.
