Item Applicant and Locality

1. **La Radio touristique de Québec inc.**
Québec, Quebec
Application No. 2008-1404-7
2. **Canadian Broadcasting Corporation**
Calgary, Alberta
Application No. 2008-1557-4

1. **Québec, Quebec**
Application No. 2008-1404-7

Application by **La Radio touristique de Québec inc.** to amend the broadcasting licence for the tourist radio programming undertaking CKJF-FM Québec.

The licensee proposes to amend the licence by changing the frequency from 90.3 MHz (channel 212LP) to 106.9 MHz (channel 295A1). The licensee also proposes to increase the maximum effective radiated power from 16 watts to 100 watts.

The new frequency is necessary given the Commission's decision to authorize Guy Simard, on behalf of a corporation to be incorporated, to use the frequency 90.3 MHz in Montmagny, Quebec (Broadcasting Decision CRTC 2008-224). The licensee also indicated that an increase in power would ensure the sustainability of its service.

2. **Calgary, Alberta**
Application No. 2008-1557-4

Application by the **Canadian Broadcasting Corporation (CBC)** relating to the broadcasting licence for the radio programming undertaking CBR-FM Calgary.

The licensee proposes to use a Subsidiary Communications Multiplex Operations (SCMO) channel to broadcast multi-cultural programs in the Punjabi, Hindi, Fiji, Gujarati and Urdu languages, along with English programs for young South Asian Canadians.

Programming broadcast using an SCMO is not accessible with standard radio equipment and requires the use of a special receiver.

Deadline for Interventions/Comments

23 January 2009

The intervention must be received by the Commission and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays.

Your intervention will be considered by the Commission, and will form part of the public record of the proceeding without further notification to you, provided the procedure set out below has been followed. You will be contacted only if your submission raises procedural questions.

Submit your written intervention to the Secretary General of the Commission in **only one** of the following formats:

by using the

|

A true copy must be sent to the applicant and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using email for service of documents or notification, as it may be difficult to establish that service has occurred.

Before initiating service through electronic mode, please ensure that you will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Your intervention should clearly identify the application and indicate whether you support or oppose the application, or, if you propose changes to it, include the facts and grounds for your proposal.

Important notice

Note that all information that you provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's Web site at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's Web site. This information includes your personal information, such as your full name, e-mail address, postal/street address, telephone and facsimile number(s), and any other personal information you provide.

The personal information you provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's Web site in their entirety exactly as you send them, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

Please note that the information you provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the Web page of this particular public process. As a result, a general search of our Web site with the help of either our own search engine or a third-party search engine will not provide access to the information which was provided as part of this public process.

Examination of Documents

An electronic version of applications is available from the Commission's Web site by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's Web site. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's Web site.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications or, upon request, within 2 working days, at any other Commission offices and documentation centres.
