

Broadcasting Notice of Consultation CRTC 2009-567

Ottawa, 10 September 2009

Notice of application received

Cobourg, Ontario

Deadline for submission of interventions/comments: 15 October 2009

The Commission has received the following application:

[Broadcasting interventions/comments form]

Item Applicant and Locality

1. **United Christian Broadcasters Canada**
Cobourg, Ontario
Application No. 2009-0943-4

1. **Cobourg, Ontario**
Application No. 2009-0943-4

Application by **United Christian Broadcasters Canada** to amend the broadcasting licence of the specialty commercial FM radio programming undertaking CKJJ-FM Belleville, Ontario.

The licensee proposes to change the frequency of its Cobourg transmitter from 100.9 MHz (channel 265LP) to 90.7 MHz (channel 214A1) and to increase the average effective radiated power from 42 watts to 250 watts (maximum effective radiated power from 50 to 175 watts with an effective height of antenna above average terrain of 32.5 metres).

Its Cobourg transmitter is authorized as a low-power unprotected FM service and approval of the present application would change its operating class to one that has protected status under the Department of Industry's rules.

The licensee wishes to ensure the continuity of its service to Cobourg given the Commission's decision to authorize My Broadcasting Corporation to use frequency 100.9 MHz (channel 265A) in *English-language FM radio station in Brighton*, Broadcasting Decision CRTC 2009-277, 15 May 2009. Since the applicant operates its transmitter on the same 100.9 MHz frequency, it must vacate the frequency upon the commencement of operations of the new Brighton FM service.

Public Participation

Deadline for Interventions/Comments

15 October 2009

The intervention must be received by the Commission and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays and will not notify a party whose intervention is received after the deadline date. The intervention will not be considered by the Commission and will not be part of the public file.

Interventions will be considered by the Commission and will form part of the public record of the proceeding without further notification to intervening parties, provided the procedure set out below has been followed. Parties will be contacted only if their submissions raise procedural questions.

Written interventions should be submitted to the Secretary General of the Commission in **only one** of the following formats:

by using the
[[Broadcasting interventions/comments form](#)]

by mail to
CRTC, Ottawa, Ontario K1A 0N2

or

by fax at
819-994-0218

A true copy must be sent to the applicant, and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Parties must ensure, before initiating service through electronic mode, that they will be able to satisfy the Commission, upon request, that service of the notification was completed.

Where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Each paragraph of the document should be numbered.

Interventions should clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

Important notice

Note that all information that parties provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's website at www.crtc.gc.ca, becomes part of a publicly accessible file and will be posted on the Commission's website. This information includes personal information, such as full names, e-mail addresses, postal/street addresses, telephone and facsimile numbers, and any other personal information parties provide.

The personal information that parties provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's website in their entirety exactly as received, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

Please note that the information that parties provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the web page of this particular public process. As a result, a general search of the Commission's website with the help of either its own search engine or a third-party search engine will not provide access to the information that was provided as part of this public process.

Examination of documents

An electronic version of the applications is available from the Commission's website by selecting the application number within this notice.

A list of all interventions/comments will also be available on the Commission's website. An electronic version of all interventions/comments submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's website.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications, or, upon request, within 2 working days, at any other Commission offices and documentation centres.
