#### 1. Ottawa, Ontario Application No. 2009-1511-8

Application by **Radio de la communauté francophone d'Ottawa** for the use of frequency 94.5 MHz (channel 233B1) for the operation of the new French-language Type B community FM radio programming undertaking approved in part in *Reconsideration of Broadcasting Decision 2008-222 pursuant to Orders in Council P.C. 2008-1769 and P.C. 2008-1770*, Broadcasting Decision CRTC 2009-481, 11 August 2009 (Broadcasting Decision 2009-481).

The present application is filed in response to Broadcasting Decision 2009-481 in which the Commission stated that it would only issue a broadcasting licence to Radio de la communauté francophone d'Ottawa if it submitted an application proposing the use of another FM frequency that is acceptable to both the Commission and the Department of Industry.

The Commission notes that the Department of Industry finds the applicant's proposal technically acceptable.

**Application No. 2009-1514-2**

Application by **Norwesto Communications Ltd.** to amend the broadcasting licence for the English-language commercial radio programming undertaking CKQV-FM Vermilion Bay, Ontario in order to change the frequency of transmitter CKQV-FM-3 Sioux Lookout from 104.5 MHz (channel 283LP) to 104.1 MHz (channel 281LP). All other technical parameters remain unchanged.

The licensee states that it must change the transmitter's frequency in order to eliminate the possibility of interference with its Dryden frequency.

**3. Vancouver, British Columbia**  
**Application No. 2009-1538-2**

Application by **Rogers Broadcasting Limited** relating to the broadcasting licence for the transitional digital television programming undertaking CHNM-DT Vancouver, British Columbia.

The licensee proposes to modify the authorized contours by increasing the average effective radiated power (ERP) from 772 watts to 4,300 watts (maximum ERP from

1,354 watts to 8,300 watts with an effective height of the antenna above average terrain of 670 metres) and by relocating the antenna.

The licensee states that the population count inside the digital local A contour would increase from 2,105,995 to 2,116,180 and from 2,282,115 to 2,531,425 in the digital local B contour.

The licensee also states that the proposed changes would result in better signal quality for its Vancouver listeners using its own facilities.

## **Public Participation**

### **Deadline for interventions/comments**

**12 January 2010**

The intervention must be received by the Commission and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays and will not notify a party whose intervention is received after the deadline date. The intervention will not be considered by the Commission and will not be part of the public file

Interventions will be considered by the Commission and will form part of the public record of the proceeding without further notification to intervening parties, provided the procedure set out below has been followed. Parties will be contacted only if their submissions raise procedural questions.

Written interventions should be submitted to the Secretary General of the Commission in **only one** of the following formats:

**by using the**  
[\[Broadcasting interventions/comments form\]](#)

or

**by mail to**  
CRTC, Ottawa, Ontario K1A 0N2

or

**by fax at**  
819-994-0218

A true copy must be sent to the applicant, and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Parties must ensure that, before initiating service through electronic mode, they will be able to satisfy the Commission, upon request, that service of the notification was completed.

Submissions longer than five pages should include a summary.

Each paragraph of the submission should be numbered. In addition, where the intervention is filed by electronic means, the line **\*\*\*End of document\*\*\*** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Interventions should clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

### **Important notice**

All information that parties provide as part of this public process, except information granted confidentiality, whether sent by postal mail, facsimile, e-mail or through the Commission's website at [www.crtc.gc.ca](http://www.crtc.gc.ca), becomes part of a publicly accessible file and will be posted on the Commission's website. This information includes personal information, such as full names, e-mail addresses, postal/street addresses, telephone and facsimile numbers, and any other personal information parties provide.

The personal information that parties provide will be used and may be disclosed for the purpose for which the information was obtained or compiled by the Commission, or for a use consistent with that purpose.

Documents received electronically or otherwise will be put on the Commission's website in their entirety exactly as received, including any personal information contained therein, in the official language and format in which they are received. Documents not received electronically will be available in PDF format.

The information that parties provide to the Commission as part of this public process is entered into an unsearchable database dedicated to this specific public process. This database is accessible only from the web page of this particular public process. As a result, a general search of the Commission's website with the help of either its own search engine or a third-party search engine will not provide access to the information that was provided as part of this public process.

The Commission encourages interested parties to monitor the public examination file and the Commission's website for additional information that they may find useful when preparing their interventions/comments.

### **Examination of documents**

An electronic version of the applications is available from the Commission's website by selecting the application number within this notice.

A list of all interventions will also be available on the Commission's website. An electronic version of all interventions submitted will be accessible from this list. To access the list, select "Lists of interventions/comments" under "Public Proceedings" from the Commission's website.

Documents are also available during normal office hours at the local address provided in this notice and at the Commission offices and documentation centres directly involved with these applications, or, upon request, within two (2) working days, at any other Commission offices and documentation centres.
