Applicant and locality

8. Corus Radio Company

Brampton, Ontario

Application No. 2010-0207-1

Preamble for Item 8

This application will be considered during the appearing phase of the hearing.

8. Brampton, Ontario

Application No. 2010-0207-1

Application by **Corus Radio Company** to renew the broadcasting licence of the commercial radio programming undertaking CFNY-FM Brampton, expiring 31 August 2010.

It appears to the Commission that the licensee may have failed to comply with the *Radio Regulations, 1986* (the Regulations) and its condition of licence relating to its Canadian talent development (CTD) contribution for the 2009 broadcast year. Specifically, it appears that the licensee may have contributed to a non-eligible initiative for CTD funding. The funding in question relates to the Son House Productions initiative.

The Commission intends to inquire into this matter at the hearing. The Commission expects the licensee to show cause at this hearing why a mandatory order should not be issued requiring the licensee to comply with Regulations and its condition of licence relating to CTD contributions.

Correspondence on this matter is on-going. Interested parties are invited to review the public examination file on a regular basis.

The Commission notes that, in *CFNY Brampton – Licence renewal*, Broadcasting Decision CRTC 2006-394, 23 August 2006, the station was issued a four-year short term renewal to 31 August 2010 based on its failure to comply with the Regulations relating to the broadcast of Canadian content for category 2 music.

Public participation

Deadline for interventions

16 April 2010

The intervention must be received by the Commission and by the applicant on or before the above-mentioned date. The Commission cannot be held responsible for postal delays and will not notify a party whose intervention is received after the deadline date. The intervention will not be considered by the Commission and will not be part of the public file.

The intervention must include one of the following statements in either the first or the last paragraph:

1. I request to appear at the public hearing.
2. I do not want to appear at the public hearing.

Interventions will be considered by the Commission and will form part of the public record of the proceeding without further notification to intervening parties, provided the procedure set out below has been followed. Parties will be contacted only if their submissions raise procedural questions.

Written interventions should be submitted to the Secretary General of the Commission in **only one** of the following formats:

by using the
[\[Broadcasting interventions/comments form\]](#)

or

by mail to
CRTC, Ottawa, Ontario K1A 0N2

or

by fax at
819-994-0218

A true copy must be sent to the applicant, and proof that this has been done must accompany the intervention sent to the Commission.

The Commission advises those who file and serve by electronic mode to exercise caution when using e-mail for service of documents or notification, as it may be difficult to establish that service has occurred.

Parties must ensure that, before initiating service through electronic mode, they will be able to satisfy the Commission, upon request, that service of the notification was completed.

Submissions longer than five pages should include a summary.

Each paragraph of the submission should be numbered. In addition, where the intervention is filed by electronic means, the line *****End of document***** should be entered following the last paragraph of the document, as an indication that the document has not been damaged during electronic transmission.

Interventions should clearly identify the application referred to and indicate whether parties support or oppose the application, or, if they propose changes to it, include the facts and grounds for their proposal.

In the event that the application is brought to the oral phase of the hearing, and if parties wish to appear, they must provide reasons why their written interventions are not sufficient and why an appearance is necessary.

Persons requiring communications support such as assistance listening devices and sign language interpretation are requested to inform the Commission at least twenty (20) days before the commencement of the public hearing so that the necessary arrangements can be made.
