### **Caribbean Circuit Television – Specialty Category B service – Correction**

1. In *Caribbean Circuit Television – Specialty Category B service*, Broadcasting Decision CRTC 2011-501, 16 August 2011 (Broadcasting Decision 2011-501), the Commission approved an application by NB Spring and Manufacturing Ltd. for a broadcasting licence to operate Caribbean Circuit Television, a national, niche ethnic specialty Category B service. 2. Accordingly, the Commission corrects the English-language version of Broadcasting Decision 2011-501 by:

- replacing the first sentence of paragraph 1 with the following:

NB Spring and Manufacturing Ltd. (NB Spring) filed an application for a broadcasting licence to operate Caribbean Circuit Television, a national, English-language, niche, ethnic Category 2<sup>1</sup> specialty programming undertaking that would be devoted to the Caribbean community and would consist of daily news and issues, politics, economic conditions, religion, youth-oriented programs and live and pre-recorded West Indian shows.

- replacing the second sentence of paragraph 6 with the following:

<sup>1</sup> As set out in Broadcasting Notice of Consultation 2008-100, as of 31 August 2011, Category 2 services will be renamed Category B services.

English-language, niche ethnic specialty Category B service Caribbean Circuit Television.

- replacing condition of licence 2, set out in the appendix to that decision, with the following:

The licensee shall provide a national, English-language, niche, ethnic specialty Category B service devoted to the Caribbean community and would consist of daily news and issues, politics, economic conditions, religion, youth-oriented programs and live and pre-recorded West Indian shows.
