

Broadcasting Notice of Consultation CRTC 2011-803-1

PDF version

Additional reference: 2011-803

Ottawa, 2 February 2012

Call for comments on amendments to various regulations, standard conditions of licence and an exemption order to implement measures to control the loudness of commercial messages – Addition to paragraph 7

1. The Commission amends Broadcasting Notice of Consultation 2011-803 in order to add the following sentence to the end of paragraph 7:

The Commission intends to impose the condition of licence proposed in Appendix 3 on VOD undertakings that have applied to renew their broadcasting licences and for which applications are set out in *Notice of applications received*, Broadcasting Notice of Consultation CRTC 2011-600, 20 September 2011.

Secretary General
