Route reference: Part 1 application posted on 24 January 2014

Ottawa, 9 May 2014

Soundview Entertainment Inc.
Across Canada

Application 2014-0039-0

Addition of RIK to the *List of non-Canadian programming services authorized for distribution*

*The Commission **approves** an application to add RIK to the List of non-Canadian programming services authorized for distribution (the list) and amends the list accordingly. The revised list is available on the Commission's website at www.crtc.gc.ca, by clicking on "TV & Radio" and selecting "Programming."*

Introduction

1. The Commission received an application from Soundview Entertainment Inc. (Soundview), acting as the Canadian sponsor, to add RIK to the *List of non-Canadian programming services authorized for distribution* (the list). The Commission received an intervention in support of this application.
2. Soundview described RIK as a third-language 24-hour general interest service (100% Greek) originating in Cyprus that offers a combination of entertainment and news with additional lifestyle, showbiz, gossip and fashion news, drama serials, and comedy. The service's target audience is Greek-speaking Canadians.
3. In Broadcasting Public Notices 2004-96 and 2008-100, the Commission stated that requests to add non-Canadian general interest third-language services to the list would generally be approved, subject to any requirement it deemed appropriate. In Broadcasting Public Notice 2008-100, the Commission stated that non-Canadian third-language services that provide narrowly targeted or "niche" programming would be subject to the same approach as non-Canadian general interest third-language services.

Commission's analysis and decision

4. In the absence of opposing interventions, the Commission **approves** the application by Soundview Entertainment Inc. to add RIK to the *List of non-Canadian programming services authorized for distribution* and amends the list accordingly. The revised list is available on the Commission's website at www.crtc.gc.ca, by

clicking on “TV & Radio” and selecting “Programming,” and may be obtained in hard copy on request.
