### Changes to procedure

1. With this notice, the Commission revises the procedural dates established in *Review of costing inputs and application process for wholesale high-speed access services*, Telecom Notice of Consultation CRTC 2015-225, 28 May 2015 (Telecom Notice of Consultation 2015-225).
2. In a letter dated 25 June 2015, the Commission received a joint request from Bell Aliant Regional Communications, Limited Partnership and Bell Canada (collectively, the Bell companies) to extend the deadline for the submission of interventions in the above-referenced notice from 6 July to 20 July 2015, and the deadline for the submission of replies from 16 July to 30 July 2015.
3. In the above-noted letter, the Bell companies indicated that certain critical resources are not available to prepare input to their intervention within the allotted time frame due to already scheduled vacations.
4. By letter dated 26 June 2015, the Commission received an intervention from TELUS Communications Company, in which the company supported the request made by the Bell companies, provided that any such extension should be granted to all parties that wish to participate in this proceeding.
5. The Commission considers that it is reasonable that the requested extension for the filing of interventions and replies be granted, and that such extension should apply to all parties that wish to participate in this proceeding.

6. Accordingly, the Commission revises certain procedural dates set out in Telecom Notice of Consultation 2015-225. Specifically, the deadline for the submission of interventions set out in paragraphs 22 and 23 of Telecom Notice of Consultation 2015-225 is revised from 6 July to **20 July 2015**, and the deadline for the submission of replies set out in paragraph 24 of Telecom Notice of Consultation 2015-225 is revised from 16 July to **30 July 2015**.
