Addition of Canal Algérie to the *List of non-Canadian programming services and stations authorized for distribution*

*The Commission **approves** an application to add Canal Algérie to the List of non-Canadian programming services and stations authorized for distribution (the list), and amends the list accordingly. The revised list is available on the Commission's website at www.crtc.gc.ca by clicking on "TV & Radio" and selecting "Programming."*

Introduction

1. The Commission received an application from Bell Canada, acting as the Canadian sponsor, to add Canal Algérie to the *List of non-Canadian programming services and stations authorized for distribution* (the list). The Commission did not receive any interventions regarding this application.
2. Bell Canada described Canal Algérie as a general interest service (60% French-language / 40% Arabic-language) providing family-oriented programming, including news and entertainment for Algerians living abroad. Its target audience would be Canadians of Algerian origin and Algerians living in Canada. The service originates from Algeria.
3. The Commission's general approach to the addition of non-Canadian English- and French-language services to the list is set out in Public Notice 2000-173, and reiterated in Broadcasting Public Notice 2008-100. Under this approach, the Commission assesses such requests in the context of its general policy, which, among other things, precludes the addition of a non-Canadian service that can be considered either totally or partially competitive with Canadian specialty or pay television services.

Commission's analysis and decision

4. In assessing the competitiveness of a service, the Commission relies primarily on the comments filed to identify the Canadian pay and specialty services with which a proposed non-Canadian service might be totally or partially competitive.

5. In the absence of opposing interventions, the Commission **approves** the application by Bell Canada to add Canal Algérie to the *List of non-Canadian programming services and stations authorized for distribution* and amends the list accordingly. The revised list is available on the Commission’s website at www.crtc.gc.ca by clicking on “TV & Radio” and selecting “Programming,” and may be obtained in hard copy on request.
