Télébec, Limited Partnership – *Ex parte* application

File number: Tariff Notices 479 and 479A

1. The Commission **approves on an interim basis**, effective 19 January 2015, the *ex parte* application¹ by Télébec, Limited Partnership dated 4 and 16 December 2014.
2. In order that the application may be available for public examination, consistent with the *Canadian Radio-television and Telecommunications Rules of Practice and Procedure* (the Rules of Procedure), the company is directed to file with the Commission, on or before 19 January 2015, an electronic version of the application for the Commission website. Among other things, section 59 of the Rules of Procedure incorporates by reference the procedural requirements established in Telecom Information Bulletin 2010-455,² which allow interveners to file interventions within 25 calendar days of the filing of the Group B tariff application that has been placed on the public record.

Secretary General

¹ An *ex parte* application is an application that has been filed with the Commission without notice to the public and, as such, is not placed on the public record when initially filed. An *ex parte* decision is one in which the Commission disposes of an application solely on the basis of the applicant's submissions. Subsection 61(3) of the *Telecommunications Act* allows the Commission to make an *ex parte* decision where it considers that the circumstances of the case justify it. In *Review of regulatory framework*, Telecom Decision CRTC 94-19, 16 September 1994, the Commission set out several considerations to be balanced in any determination to permit *ex parte* tariff filings, including the public interest in the effective operation of the competitive marketplace and the public interest in an open regulatory process.
