Bell Canada – Interim approval of a tariff application

1. The Commission **approves on an interim basis** the proposed tariff pages filed in the following tariff application:

Applicant	Tariff Notice	Date of application	Effective date
Bell Canada	TN 7536 Access Services Tariff – Unbundled local loops: addition of five exchanges and ratification of rates	19 May 2017	19 June 2017

2. The Commission will address the ratification request made in this application, and any other issues related to the application, if necessary, in a subsequent order.
3. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
