Ottawa, 16 August 2019

Northwestel Inc. – Approval of a tariff application

1. The Commission **approves** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Northwestel Inc.	TN 1052 Various tariffs – Revisions to retail and wholesale services in communities served by the Mackenzie Valley Fibre Link	11 June 2019	16 August 2019

2. No interventions with respect to the application were received.

3. In accordance with the 2019 Policy Direction,¹ the Commission considers that this order, which is based on a complete record, can promote competition, affordability, consumer interests, and innovation. Specifically, the approval of this application will promote competition, affordability, and lower prices, since it will (i) provide customers in the affected markets with improved terms and conditions, and (ii) help ensure that consumers and competitors have access to high-quality telecommunications services as a result of the service revisions.

4. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
