Ottawa, 20 September 2019

Bell Canada – Interim approval of a tariff application

1. The Commission **approves on an interim basis** the following tariff application:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell Canada	TN 7599 Exchange Services Tariff – Addition of several service overlaps	23 August 2019	20 September 2019

2. The interim approval of this application complies with the 2019 Policy Direction¹ by facilitating efficient tariff processes while enabling the Commission to consider, on the basis of a complete record, how its final decision can promote competition, affordability, consumer interests, and innovation.
3. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
