

## Telecom Order CRTC 2019-345

PDF version

Ottawa, 4 October 2019

### Bell Canada – Final approval of tariff applications

1. The Commission **approves on a final basis** the following tariff applications:

Applicant	Tariff Notice and description	Date of application	Effective date
Bell Canada	TN 956 National Services Tariff – Expansion of Hosted IP Voice Service to Télébec’s operating territory	21 June 2019	19 August 2019
Bell Canada	TN 957 National Services Tariff – Expansion of Hosted IP Voice Service to NorthernTel’s operating territory	21 June 2019	19 August 2019

2. The Commission received no interventions with respect to the applications.
3. In accordance with the 2019 Policy Direction,<sup>1</sup> the Commission considers that this order, which is based on a complete record for each application, can promote competition, affordability, consumer interests, and innovation. Specifically, the final approval of these applications will promote consumer interests and innovative telecommunications services since it (i) allows for the introduction of a new service in additional markets, and (ii) will help ensure that consumers have access to high-quality telecommunications services as a result of the service introductions.
4. Revised tariff pages are to be issued within 10 calendar days of the date of this order. Revised tariff pages can be submitted to the Commission without a description page or a request for approval; a tariff application is not required.
