Notice of hearing

10 January 2023
Gatineau, Quebec

Withdrawal of Item 1

Further to Broadcasting Notice of Consultation 2022-252, the Commission has determined that given the issues raised in the written interventions, it would be more appropriate to consider the application at a future public hearing. Accordingly, the following item is withdrawn from this hearing and will be rescheduled at a later date:

Item 1

- 1. Nunavut Independent Television Network**
Across Canada
Application 2021-0527-0

Application by Nunavut Independent Television Network (NITV) for a broadcasting licence to operate the currently exempt national, Indigenous-language discretionary service Uvagut TV as a licensed service, and for the service to be granted mandatory distribution as part of the digital basic service of [broadcasting distribution undertakings] across Canada, pursuant to paragraph 9(1)(h) of the [*Broadcasting Act*].
